TECHNICAL CONTACT

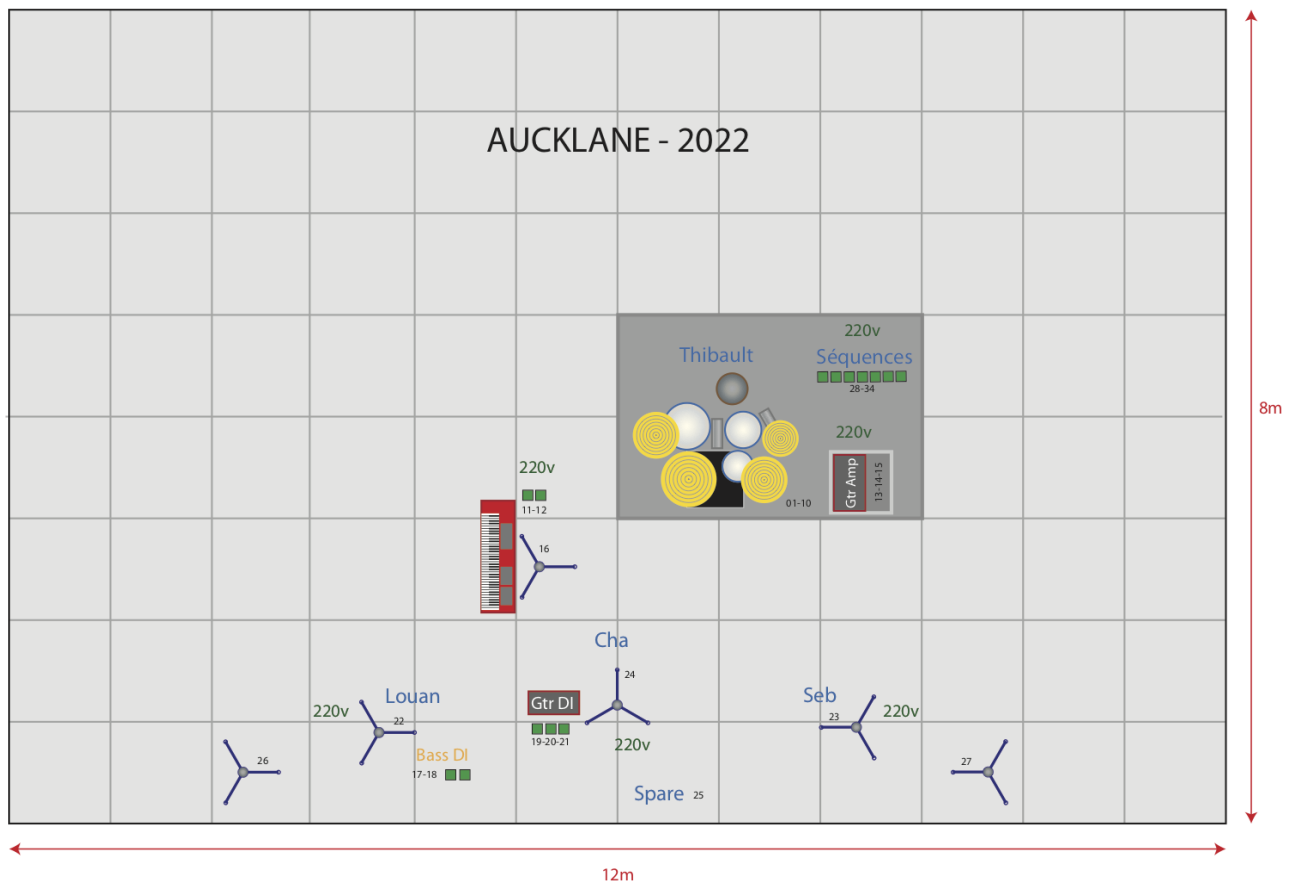

Hugo Vandendriessche (FOH sound engineer) +32 488 17 73 71 or hugo.mix@skynet.be

The band comes with its sound engineer,
console (SQ5), stageboxes (DX168), in-ears, all microphones and DIs.
We can guarantee a fast and professional installation.

We ask the organisation to provide :

- Two RJ45 CAT6 lines between the stage and the control room
- Power supplies for stage and control room
- Audio cabling for the announced sources (16 x 2m, 6 x 5m + 12 x 10m + Spare)
- 7 small boom stands
- 1 Shure Beta 58 (Spare)

As well as a quality public diffusion adapted to the place
(FOH + rappels and in-fills if necessary)
